Loviatar

Loviatar is the goddess of **pain** in the pantheon recognized across Norvostra.

Worship and Meaning

Loviatar is commonly known as **the Maiden of Pain**. The faith's traditional symbol is **Nine-tailed barbed scourge**. In traditional religious classification, Loviatar is **Lawful Evil**.

Loviatar is the goddess of pain, cruelty, and the domination that can come through suffering. Her worshipers may treat pain as purification, discipline, pleasure, or a tool of control, making her faith widely feared.
