Oghma is the god of **knowledge** in the pantheon recognized across Norvostra.

Worship and Meaning

Oghma is commonly known as **the Binder of What Is Known**. The faith's traditional symbol is **Blank scroll**. In traditional religious classification, Oghma is **Neutral**.

Oghma is the god of knowledge, ideas, invention of thought, and the preservation of learning. Scholars, teachers, librarians, sages, and seekers of truth honor him by gathering knowledge and passing it on.
