

Shar

Shar is the goddess of **darkness and loss** in the [pantheon](#) recognized across [Norvostra](#).

Worship and Meaning

Shar is commonly known as **the Lady of Loss**. The faith's traditional symbol is **Black disk encircled with a border**. In traditional religious classification, Shar is **Neutral Evil**.

Shar is the goddess of darkness, loss, secrecy, and the comfort some seek in forgetting pain. Her worship attracts those consumed by grief, resentment, hidden knowledge, or the desire to erase what hurts.
