

Talos

Talos is the god of **storms** in the [pantheon](#) recognized across [Norvostra](#).

Worship and Meaning

Talos is commonly known as **the Storm Lord**. The faith's traditional symbol is **Three lightning bolts radiating from a central point**. In traditional religious classification, Talos is **Chaotic Evil**.

Talos is the god of storms, destruction, and nature at its most violent. Sailors, isolated settlements, and people facing dangerous weather may offer prayers to avert his wrath, while destructive cults may celebrate it.
