

Umberlee

Umberlee is the goddess of **the sea** in the [pantheon](#) recognized across [Norvostra](#).

Worship and Meaning

Umberlee is commonly known as **the Bitch Queen**. The faith's traditional symbol is **Wave curling left and right**. In traditional religious classification, Umberlee is **Chaotic Evil**.

Umberlee is the goddess of the sea and its sudden, violent moods. Sailors and coastal communities often appease her out of fear rather than affection, offering respect before voyages in the hope that the sea will spare them.
