

Vecna

Vecna is the god of **secrets and undeath** in the [pantheon](#) recognized across [Norvostra](#).

Worship and Meaning

Vecna is commonly known as **the Whispered One**. The faith's traditional symbol is **Hand and eye**. In traditional religious classification, Vecna is **Neutral Evil**.

Vecna is the god of secrets, forbidden knowledge, and undeath. Those who seek hidden truths at any cost, hoard dangerous information, or pursue power beyond death are most closely associated with his worship.
